Professional Summary

Computer Science undergraduate at Amity University Mumbai with hands-on experience in Full Stack Development through internships and real-world projects. Currently working as a Full Stack Developer Intern at State Bank of India, developing enterprise web applications using ASP.NET Core MVC, C#, SQL Server, and Entity Framework Core. Passionate about backend development, problem solving, and building scalable web applications.

Education

Amity University Mumbai

Bachelor of Technology in Computer Science & Engineering

2023 – 2027

CGPA: 8.59

Ryan International School, Navi Mumbai

Senior Secondary (CBSE)

2021 – 2022

72%

Experience

State Bank of India (SBI)

Full Stack Developer Intern

June 2026 – Present

Navi Mumbai, India

- Developing a **Title Deed Management System** using ASP.NET Core MVC, C#, SQL Server, and Entity Framework Core.
- Implementing CRUD functionality following MVC architecture and clean coding practices.
- Designing responsive user interfaces using Razor Views, Bootstrap, JavaScript, and AJAX.
- Working with SQL Server to design database tables, write optimized SQL queries, and manage relational data.
- Collaborating with mentors to develop secure and maintainable web applications.

Ibtidaa Tech

Frontend Developer Intern

July 2025 – August 2025

Remote

Ibtidaa Tech

Graphic & Media Design Intern

July 2025 – September 2025

Remote

StaxTech

Software Development Intern

May 2025 – June 2025

Remote

Projects

Job Portal API | *Node.js, Express.js, MongoDB, Mongoose, RESTful APIs*

- Developed a backend RESTful API for a Job Portal platform using Node.js, Express.js, MongoDB, and Mongoose following the MVC architecture.
- Implemented secure user registration with bcrypt password hashing and MongoDB integration using Mongoose.
- Designed modular API routes with structured error handling and environment-based configuration using dotenv.
- Built a scalable backend structure supporting future features including recruiter management, job postings, role-based authorization, and resume uploads.

Portfolio Website | *React, Tailwind CSS, Vite*

- Designed and developed a responsive portfolio website showcasing projects, internships, certifications, technical skills, and achievements.
- Built reusable React components and responsive layouts to provide an optimized user experience across devices.
- Deployed the application using Netlify with GitHub integration for seamless version control and continuous updates.

Weather Dashboard | *HTML, CSS, JavaScript, Open-Meteo API*

- Developed a responsive weather dashboard using HTML, CSS, and JavaScript.
- Integrated the Open-Meteo API to display real-time weather information based on user location.
- Implemented asynchronous data fetching using the Fetch API and dynamic DOM manipulation for live weather updates.

Technical Skills

Languages: C#, JavaScript, Python, SQL, C++

Frontend: React, HTML5, CSS3, Tailwind CSS, Bootstrap, Razor Views

Backend: ASP.NET Core MVC, Node.js, Express.js, REST APIs

Databases: SQL Server, PostgreSQL, MongoDB (Learning)

Developer Tools: Git, GitHub, Visual Studio, VS Code, Postman

Core Concepts: OOP, MVC Architecture, Entity Framework Core, LINQ, AJAX, REST APIs, Data Structures & Algorithms

Leadership

Google Developer Groups (GDG) On Campus

Technical Lead

2024 – 2025

Amity University Mumbai

- Coordinated technical events by managing documentation, presentations, and event logistics.
- Created presentation materials, captured event photographs, and maintained documentation for workshops and community activities.
- Collaborated with the organizing team to support the execution and promotion of developer-focused events on campus.

Achievements

- Technical Lead, Google Developer Groups (GDG) On Campus, Amity University Mumbai (2024–2025).
- Participant, HackCelestial 2.0 Hackathon.
- Solved 70+ Data Structures and Algorithms problems on coding platforms.

Certifications

- Full Stack Web Development Bootcamp – Udemy
- Web Development Training – Internshala
- Internship & Job Preparation Training – Internshala
- Power BI Workshop
- Cybersecurity Certification
